MINUTES OF THE MEETING TO REVIEW IMPLEMENTATION OF PRICE SOFTWARE IN VARIOUS ENGINEERING DEPARTMENTS

The meeting was held in the chamber of Additional Chief Secretary (Finance) at 3 PM on 14.07.2016. The list of participants is enclosed separately.

In the beginning Additional Chief Secretary (Finance) enquired the present status of the implementation of PRICE Software in various Engineering Departments. The Nodal officer, PRICE Software informed that PWD, Irrigation, Harbour Engineering Department, Agriculture & LSGD has started using PRICE software for estimate preparation. It was also informed that customization of the software for rest of the departments is now going on and will be completed by 31st July 2016. After detailed deliberations the meeting took following decisions.

1. All PSUs shall switchover to PRICE Software from 1st August 2016.
2. CTE shall be provided access to PRICE software. NIC team shall discuss with CTE and customize the software to meet this requirement.
3. The proposal to procure server for PRICE software approved.
4. The second phase of PRICE Software shall be implemented on priority basis. This shall include e-measurement book, GIS mapping, digital file flow for approvals by linking with e-office, bill preparation up to payment, etc. The required programmers may be recruited by Electronic Division of PWD as per the procedure followed by Commercial Taxes Department.
5. The Nodal Officer shall arrange to provide training to Government departments & PSUs use PRICE Software.
6. The contractor registered with LSGD will be allowed to take works of other Engineering departments also.

The meeting came to close at 4 PM
